

STITCHED

from the heart

On 1 November, we're releasing our *Stitched Shapes Framelits™ Dies* ahead of their scheduled debut in June 2017! Not only are stitches a classic trend, giving a stitched gift illustrates the extra care you've taken and how much you value that relationship. With *Stitched Shapes Framelits Dies* you can turn any project into one that is stitched from the heart.

1-30 November:
coordinating stamp sets **25% off**
